

ORLANDO 2009

MEARS MOTOR SHUTTLE®

NON-EXCLUSIVE AIRPORT SHUTTLE

Mears Motor Shuttle operates non-exclusive, **shared ride** van shuttle service from the Orlando International Airport to Orlando area hotels and resorts. This service makes no more than four hotel stops. Coupons are customized for your group and mailed to you for distribution to your attendees. Participants simply redeem their coupon at a Mears Motor Shuttle counter for a full fare one-way or discounted round trip voucher. **The locations of each counter are specified on the back of each coupon.** Once the voucher has been purchased, Mears Motor Shuttle operates 20 minute service from each counter location to Orlando area hotels. Your guests will be required to make return reservations in advance by calling the phone number specified on their voucher.

MEARS OFFERS THREE COUPON PROGRAMS FOR CONVENTIONS

Discount Cash Coupon (minimum of 100 pax) - This allows your **attendees** to receive a discount off the gross rate round trip fare. These coupons are presented by the participants to the Mears Motor Shuttle customer service representatives for a predetermined discount. Participants have the option of paying by cash or credit card.

To-Be-Billed Coupon (TBB) - This allows your **company** to receive a discount off of the gross rate. Your participants present this coupon to the customer service representative at the Mears Motor Shuttle booth. Your organization is billed for only the amount of coupons that are redeemed. The face value of the transfer does not appear on the coupon.

Prepaid Voucher - This voucher can be purchased and mailed to you in advance so participants do not have to wait in the Mears Motor Shuttle counter queue. These vouchers are presented by the participants directly to our Mears Motor Shuttle starter/dispatcher (dressed in black and yellow uniforms) located on transportation boarding level one.
